

FISCAL NOTE

SB 1376 - HB 835

February 21, 1997

SUMMARY OF BILL: Provides that a drainage district may be abolished by resolution of the county legislative body at any time after the district has completed its projects. Any funds left over after all obligations are met are to be transferred to the general fund of the county.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes that a county legislative body would not abolish such a district until all obligations were met and that the amount of funds remaining would be very small, if any remained at all.
